

MARIJUANA BANKING SYMPOSIUM PART II

Tuesday, June 11, 2019
9:00 AM - 3:00 PM
Eagle Eye Golf Club
15500 Chandler Road
Bath, MI 48808

Why Should You Attend?

Now that the State of Michigan has approved recreational marijuana licensees, there will be more cash accumulating in our communities and more risk to bank customers. Many of our government representatives have advocated for the need to provide banking services to marijuana-related businesses but doing so requires the bank to weigh in on the risk, regulation, and reputation of the institution when getting involved.

The CBM Marijuana Symposium – Part II will help provide direction for banks that do or do not wish to bank marijuana-related businesses.

Presentations will cover:

- Updates from LARA on the licensing process and requirements.
- Updates from NCS Analytics, Inc. on reporting transactions to the State.
- Compliance best practices.
- Risk management issues.
- Discussions from people in the marijuana business on what they need from banks and how they operate.
- Legal updates and perspectives.
