What documentation does the borrower submit to the lender with its forgiveness application?

In addition to the signed Forgiveness Application Form (SBA Form 3508, 3508EZ, or lender equivalent) borrowers are generally expected to submit the following (see SBA Form 3508 or 3508EZ instructions for specific details):

1. Payroll: Proof of payment
2. Nonpayroll: Proof of obligation and proof of payment
3. 3508 Only: PPP Schedule A and FTE Documentation
4. 3508EZ Only: FTE Information (if applicable)

For each form, there are certain documents that the borrower is required to maintain, but not submit. See Instructions to forms.

Additionally, all loans $2 million and over will be subject to SBA loan reviews and additional documentation will be required.
Borrower Documentation – Payroll

Documents Must Provide Proof of Eligible Costs (e.g., that payments were made towards eligible payroll costs and within the eligible Covered Period or Alternative Payroll Covered Period) with the following:

1. Bank account statements or third-party payroll service provider reports documenting the amount of cash compensation paid to employees.

2. Tax forms or equivalent third-party payroll service provider reports.

3. Payment receipts documenting the amount of any employer contributions to employee health insurance and retirement plans.

See Instructions to forms for other acceptable documents.

Documents Must Provide Proof of Eligible Costs (e.g., that verify existence of eligible non-payroll obligations/services prior to February 15, 2020 and eligible payment from the Covered Period) with the following if borrower includes nonpayroll expenses in the amount requested for forgiveness:

1. **Business mortgage interest payments** – amortization schedule and receipts.

2. **Business rent or lease payments** – lease agreement and receipts.

3. **Business utility payments** – invoices from February 2020 and invoices paid during Covered Period and receipts.

See Instructions to forms for other acceptable documents.

Information Current as of 9/3/20 – Visit www.sba.gov/PPP for the most up-to-date information.
**Question:** Who can use the SBA Form 3508EZ forgiveness application?

**Answer:** (See Form 3508EZ instructions, page 1)

1) Self-employed individual, independent contractor, or sole proprietor who had no employees at the time of the PPP loan application and did not include any employee salaries in the calculation of their average monthly payroll (when determining their eligible loan amount); or

2) Borrower didn’t reduce annual salary or hourly wages of any employee by more than 25% during Covered Period or Alternative Payroll Covered Period and didn’t reduce the number of employees or the average paid hours of employees between 1/1/20 and the end of Covered Period; or

3) Borrower didn’t reduce salary or wages of any employee by more than 25% during Covered Period or Alternative Payroll Covered Period and was unable to operate during Covered Period at the same level of business activity as before 2/15/20 due to compliance with HHS, CDC, or OSHA restrictions issued between 3/1/20 and 12/31/20 related to COVID-19.

Information Current as of 9/3/20 – Visit www.sba.gov/ppp for the most up-to-date information.
**Question:** May a borrower submit a forgiveness application before the end of their covered period?

**Answer:** Yes, if the borrower has used all the loan proceeds for which it is requesting forgiveness.

If borrower reduced annual salary or hourly wages by more than 25%, borrower must account for the reduction for the full Covered Period (either 8- or 24-week period beginning on the PPP Loan Disbursement Date).

Information Current as of 9/3/20 – Visit www.sba.gov/ppp for the most up-to-date information.
Lender Reviews – Making a Forgiveness Decision

Lenders Have Four Decision Options:

- **Approved in Full** – Lender approved the full forgiveness amount requested by borrower, and the forgiveness amount requested by lender equals that amount.

- **Approved in Part** – Lender did not approve the full forgiveness amount requested by borrower and the forgiveness amount decision by lender is less than the forgiveness amount requested by borrower.

- **Denied** – Lender denied the entire forgiveness amount requested by the borrower.

- **Denied without Prejudice** – Lender should use this status when SBA notifies the lender that a loan review is pending at the time the borrower submits a loan forgiveness application.

Forgiveness Platform – Lender Decision Reminder

Before You Begin
For a PPP loan to be eligible for submission, the loan must be reported as fully disbursed within the SBA system of record. Please use our Lookup Tool before submitting the decision and supporting documentation to ensure the SBA will allow for submission.

How To Use This Form
The following form must be populated with data that supports the lender decision you are issuing to the SBA.

Approved in Full
If an “Approved in Full” decision is issued to the SBA, please ensure each of your entries match the line items in the borrower’s signed 3508 or 3508EZ form.

Approved in Part
If an “Approved in Part” decision is issued to the SBA, you must populate the form with the amounts for each entry that you have approved in your decision. You must enter your own data for any entry where you determined a different amount than the entry in the borrower’s signed 3508 or 3508EZ.

Denied
If a “Denied” decision is issued to the SBA, you must populate the form with zero values where appropriate. You must also upload a denial justification document outlining the reason(s) for denial. This justification document can be created by the lender and should provide sufficient justification to support your decision.

Denied without Prejudice
If a “Denied without Prejudice” decision is issued to SBA, you should populate this form with the values from the borrower’s 3508 or 3508EZ.

Economic Injury Disaster Loan (EIDL) FAQ

**Question:** How will a lender know the amount of the EIDL advance that will be automatically deducted by SBA?

**Answer:** If a borrower received an EIDL advance, SBA is required to reduce the borrower’s loan forgiveness amount by the amount of the EIDL advance. SBA will deduct the amount of the EIDL advance from the forgiveness amount remitted by SBA to the lender. The lender will be able to confirm the amount of the EIDL advance that will be automatically deducted by SBA from the forgiveness payment by reviewing the borrower’s EIDL advance information in the Forgiveness Platform.
**Question:** How should a lender handle any remaining balance due on a PPP loan after SBA remits the forgiveness amount to the lender?

**Answer:** If a PPP loan is not forgiven in full (including if there has been a reduction in the forgiveness amount for an EIDL advance), any remaining balance due on the PPP loan must be repaid by the borrower.

- Lenders must notify borrower of the loan forgiveness amount remitted by SBA and the date on which the borrower’s first loan payment is due.
- The lender must continue to service the loan.
- The borrower must repay the remaining loan balance by the maturity date of the PPP loan (either two or five years).

If a borrower is determined to have been ineligible for a PPP loan for any reason, SBA may seek repayment of the outstanding PPP loan balance or pursue other available remedies.

- **Which version of the forgiveness application should lenders use (3508EZ or 3508)?**

General Forgiveness Process FAQs

- **How long will it take to receive an SBA forgiveness decision?**
  SBA has 90 days to review and remit payment to the lender, subject to any SBA loan review.

- **Can documents be added to a forgiveness submission after it is submitted?**
  No, submissions must be withdrawn and resubmitted with two exceptions:
  - If a lender is using APIs, a lender generally has 24 hours after submission to add additional documents to the file. After the SBA picks up the review, the Platform doesn’t allow additional documents or file changes.
  - The Platform will allow a lender or API vendor to add additional documents if the SBA asks for additional documents as part of its review.

- **Should the Forgiveness Amount on Line 11 of the 3508 or Line 8 of the 3508EZ include the EIDL deduction?**
  No, SBA automatically will reduce the Forgiveness Amount by the amount of any EIDL Advance before remitting the payment to the lender. Lenders should input the EIDL Advance information provided by the Borrower on the 3508/3508EZ, where requested in the Platform, but should not subtract it from the Forgiveness Amount.

- **Can a borrower appeal a final SBA loan review decision?**
  Borrowers may appeal to SBA’s Office of Hearings and Appeals (OHA) certain final SBA Loan Review decisions. Lenders do not have a right to appeal to OHA. Please see Interim Final Rule on Appeals of SBA Loan Review Decisions under the Paycheck Protection Program posted on 8/11/20 at www.sba.gov/ppp.
